

draw_right_border

```
graph LR; A[draw_right_border] --> B[my_mlx_pixel_put]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'draw_right_border'. A blue arrow points from the right side of this box to the right side of another rectangular box on the right. This second box is white with a black border and contains the text 'my_mlx_pixel_put'.

my_mlx_pixel_put
